## Data Storage for Business

What backup solutions would you recommend for the following businesses?

1. A Local School

---

---

2. Greggs Bakery (Large corporation, but each store is very small)

---

---

3. Premiership Football Club (Large data storage requirement, but requires portability for away games)

---

---

4. Car company (Large corporation with large data needs)

---

---

5. Decorating Business (Small company with 1 PC)

---

---
