

Examinations

TOEFL Self-study Resources

Official Website

The official Website contains basic background information on the test and if you register you can access a multimedia guide to the test with one free sample. You can also pay for additional tests.

TOEFL at a glance guide:

http://www.ets.org/Media/Tests/TOEFL/pdf/TOEFL_at_a_Glance.pdf

TOEFL Books

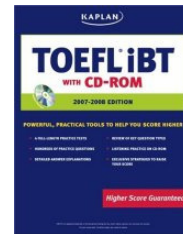

Official Guide to TOEFL Examination

The official guide and best purchased with CD-ROM, unless you don't have a PC to run it on.

Kaplan TOEFL iBT

The unofficial guide to the TOEFL examination and it comes with a CD-ROM. (It's also cheaper than the official version.)
