

## Cosmetics For The Skin

### Foundations

Foundation comes in:

- liquid powder
- stick
- compact
- cream
- powder

Types of foundation

Can contain:

- anti-oil formulae
- moisturisers
- sunscreens
- vitamins

Benefits:

- Concealer – hides small skin problems
- Camouflage – hides spots and other larger problems
- Colour cosmetics – changes skin colour

Some foundations are:

- Waterproof
- smudge-proof
- long lasting (12 hours or more)

### Exercise

Decide which of these foundations is right for each person:

1. Alice is an active person and enjoys water sports on the beach
2. Mary has a lot of spots and wants to cover them up
3. Elaine wants to stand out at a night club with an interesting colour
